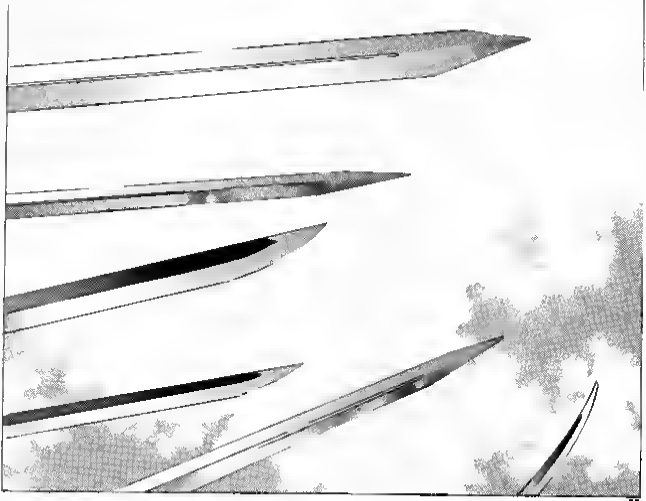
"Blades can often glimmer in blue."

Many glimmering blades were pointing at a point.



He must have thought that I was just a maid.
The young man was definitely shocked by the violent reaction.

Perhaps, it was because he was too shocked to grasp what was really going on.
He'd probably never find out –
He was still holding onto a lady's clothes whom he met just now

onto was...
Let the lady go !

My wrist ... starting to hurt.

Episode 8 .... Syo-Ryu 1.

8章..... 소 류(霄流) 1.

Hey ..

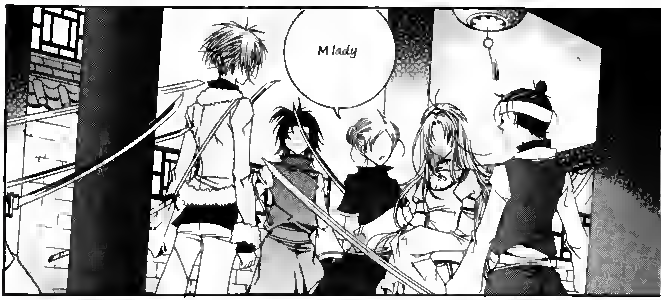
!
JANIMES.COM

!

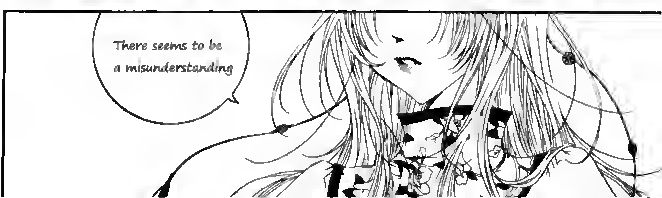
He wants me to hide ?
What is he trying to do ...
Whether you are a lady of this house
or a mere maid, please accept my apologies
Ohhh ! He apologized ! HE APOLOGIZED !

But ~
?
I do not think you acted properly toward us especially since you were watching us from a distance yesterday !
Yep, he's never at fault That's him
Yesterady ?
You saw me yesterday ?
With your own twa eyes ?
How esle can I see with my nose ?
Even when blades are right at his throat, he speaks like that
I feel like my heart is shrinking

Would it be so hard to let me go ?
I
...
Anyway ..



M lady



There seems to be a misunderstanding

Han Ah is dead.
!
3 years ago
3 years ago ?
An unfortunate accident claimed her life.
But we parted at an airship yesterday
Yes, it was an airship accident. It looks like you have a talent to see dead.

I had no idea that I had a Godis talent
Rival ?
What ?
You know. mistresses fight to solidify their position or something like that.
What the hell are you talking about ?!
Angway, what brings you here ? After all you cut me off brutally
A daughter of this family? It was obvious.

I do not trust you
Yes ~
Yes ~
But I don't dislike you

What is it ?
I am afraid of disappointing you
It's not like we are counting on you for something big anyway.

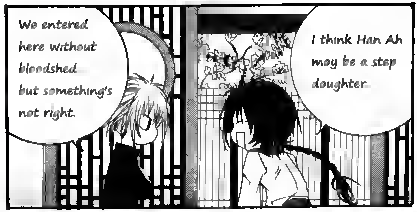
It's a big deal for me !
What a pitiful life you lead ...
Yes ... my life is ... indeed pitiful ...
So, for how long ?
We will pay for our meals
Until the next airship comes in.

They must have thought that we were the lady's guests
I think there was a big mis-understanding
Is it really alright for us to use such a nice room ? Maybe they will ask us to relocate.
Ah Aru ! Don't touch that !

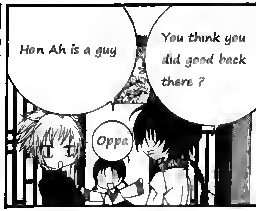
My life has been a waste !

Even a mere maid can live like this !
And a freeman like me doesn't even have a dime on me !
Freechild, you mean. You are 15

Something's not right.



We entered here without bloodshed but something's not right.
I think Han Ah may be a step doughter.



Hen Ah is a guy
You think you did good back there ?
Oppa

Come on.
What is it ?
It's really amazing

Look.
Over there.

JANIMES.COM

Eh ... ?
Lotus ?
In middle of winter ?!

It snowed yesterday
Global warming ?
G .. what ?
Look.

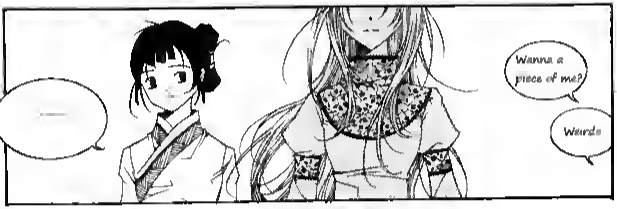
Over there
The flowers are blossoming only around her

It's like only that spot
is summer

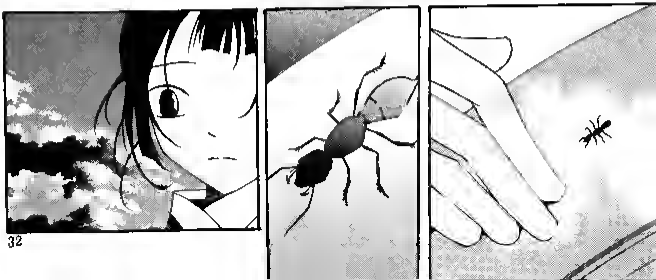
Is this why I was feeling uneasy ?
Well ...
Woah, this is for real. How did she do that ?
A witch ?
Anyway ...
Is it just me ?
She seems to have paused.

Sleeping while standing ?
A witch indeed.
Would you stop speaking weirdly?

But she has frozen.
She is sleeping
Is your vision good enough to see that clear ?
Don't fight !



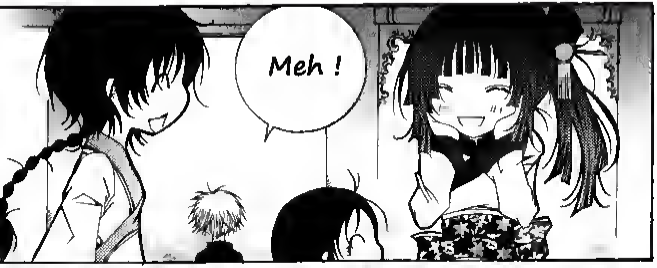
Wanna a piece of me?
Weirdo



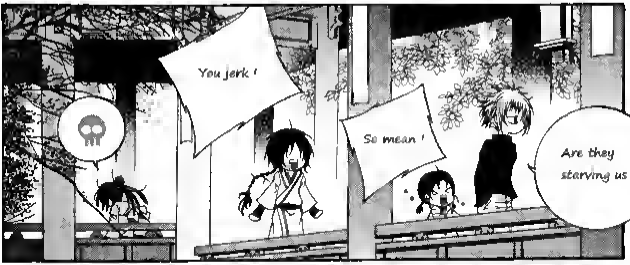
"Report to me every time Syo Ryu goes outside."
"Wan, just this once, do not report this."

Really...
This whole house is just weird.
But Ryu Sang has a point. She does seem to have paused.
Nuna, don't go easy on him.
Hey..., they are letting us stay. Be grateful.
Eh ? But ... she does really seem ...

And she is very beautiful
Really
Nope, you are prettier much.
Yeah, you are prettier
Eh ? What's with you two suddenly ?
I am not kidding The brothers at the temple said you were pretty
You are flattering
We are not kidding.



Meh !



You jerk !
So mean !
Are they starving us ?

Um...

Everything is alright, isn't it ?

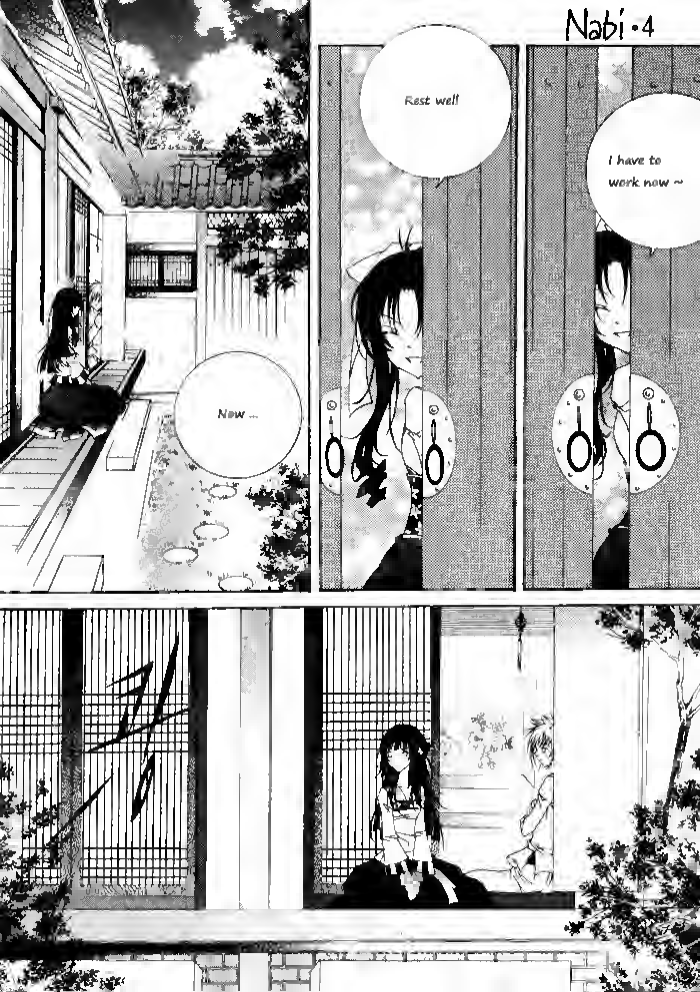
JANIMUS

What do we do now ?
What do you mean ?
We said we'd pay. We will work for it.

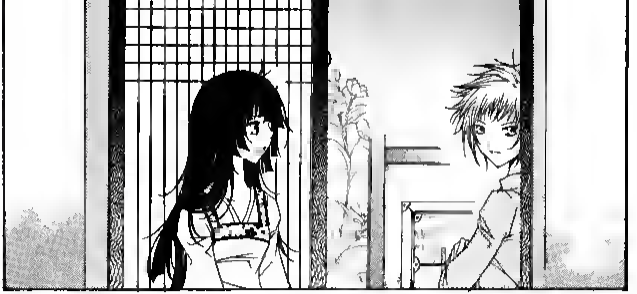
Don't mind it. It's just a few more chopsticks on the table.
A few ? Four of us are going to be here for 6 or 7 days.

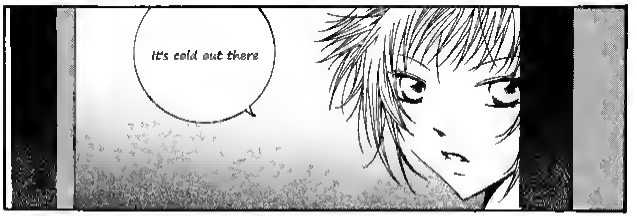
Well, I will pay it off my wage.
We can't ...

If you say so. Don't change your mind.
Ok.
Ryu Sang !
.. Ah !
?
Keep in mind that you are a mere servant's guests. Don't go around in this house freely. You dared entering even the lady's garden.
I was scolded by the lady's maid. Unless you want me to get fired, don't, okay ?
Ok.
Stay put ! Don't wander around !
Okay, okay.



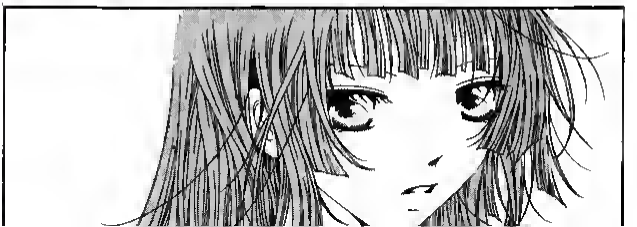
Now ...
Rest well!
I have to work now ~





It's cold out there

Come in.



탁!

EF
Oh, my ~
Mr one-handed warrior
Don't be hot blooded ~
II
7

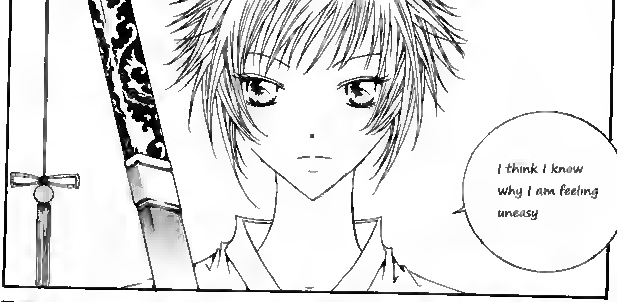
……

Two male swordsmen.
Though unknown roots, they were fully trained with top class swordsmen skills.
Even so the one who sliced your wrist was...

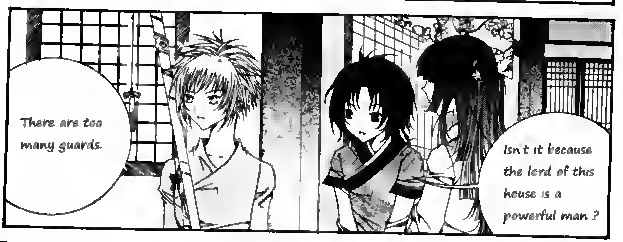
A young lady who had not undergone any training
Can you deal with them alone ?
With one hand ?
This is our chance.
We just need a good timing Wait for the lord's order, got it ?

Sorry, it must have been hurt.
You haven't fully recovered yet
Harim, do you know that it gives me creeps when you wander around in Hanah's dress ?
.....
Yes, I know
I am sure Hanah is waiting for me to get her revenge.

JANIMES.COM



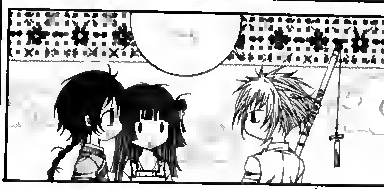
I think I know why I am feeling uneasy



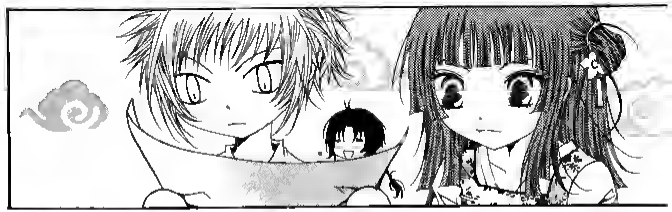
There are too many guards.
Isn't it because the lord of this house is a powerful man ?

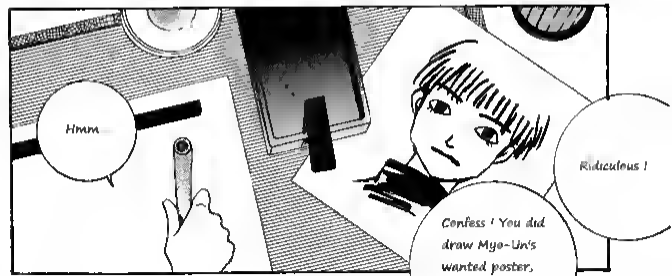
I don't know the whole detail but he's a high noble.
We shouldn't wander around like Hanah said

Do you think the ones who attacked our temple is someone's guards ?



They weren't royal guards, were they ?
What crime could our teacher have committed ?
We don't even know why we are being wanted.
First of all, we should locate him. We need to know where our teacher is as well





Hmm
Ridiculous !
Confess ! You did draw Myo-Un's wanted poster, didn't you !

You look like Han Suk-Bong but you draw as if you used your feet.
Han Suk-Bong is known for writing in dark ! He has nothing to do with drawings !
A prince ?
Did she like this guy ?

Eh ... eh ?!
Aru said he gave her a gift.
Really ?
Some "pretty beads"
Ah ... wait ... That's
You mean he hit on her ?!
No... , that's not ... He said ... he wanted to – thank me for saving him... so ...
Yeah. right

if it weren't for you-know-who that saved the guy we would not be in this

Uh ..
It was my fault.
.... I am sorry

It's so weird to be apologized by you.
And it wasn't your fault. You stated the truth simply
I think about that from time to time as well.
Myo-Un.

Let's seek out a professional artist to draw Mr Noname tomorrow
Aru is sleeping alone She will get scored if she wakes up and finds herself alone.
Mye-Un.
Really, I did not mean it.
I am telling you ...
The more you apologize

The more you are making this harder for me.
Good night...
Really...

I've
it often.
Even if nothing changes...
Even if I reach the same conclusion every time...
Still I keep thinking "What if... what if..."

In of a
day where it
the first
Someone sees
somebody fading
in snow

She rescues
But she rescued

I am aware,
I defended myself with tears as soon as I felt that someone was blaming me.
How cowardly I am.

apologize.
I can really desperate.
He has never done that before...
When it becomes morning...
I will act as if nothing happened and will greet him as usual...
Like a coward I am...

Where have you been ?
Ah..., my friend ... told me she had a stomach pain ...
So, I was ... helping her out to prepare meals and so on....
Were you looking for me ?

Your friend gets sick too often.
Yes...
Do you ... need anything ?
.....
No.
L, lady ...

But ...

It was you — who sent me there —

Lady ...
"Why do you do such dirty work?"
How does it feel like ...
to see into the future ?

Does it feel like becoming the God ?
It feels like ...
Becoming a ghost and wander around in the sky
As I thought ... it doesn't sound pleasant
"As I thought" ?

You see
I believe that a good life is where you waste little time doing what you want to do

You see, I have a lot of problems and troubles ahead.
so ?

You see. , you don't smile.

Is it because your life is not pleasant for you ?

JANIMES.COM

Knowing answers to everything
I do not know why it is not something to brag about or feel good about.
But it does not obviously please you, so I do not like it
If you were my daughter, I'd never force my children to do something like this.

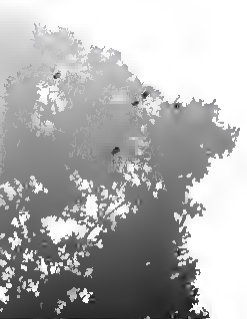
To be honest... when you are having a dream, you .. freak me out.
Is that what you wanted to say ?
He will have to let me marry and move out since not doing so will earn other people's attention. Only select few knows about my ability anyway
But.. once I get married and move out, my father won't be able to order me to do that anymore.
Ohh - !
Have you seen your husband already in your dreams ?
Well...
Will you take me with you when you marry and move out ?

Of course.
You are my favorite, Han-Ah
You are the only one in this cold house
Who speak to me as if I am a human being...

A little girl from
a foreign country...

I still miss your voice and your tone ...

You spoke like a bird ...



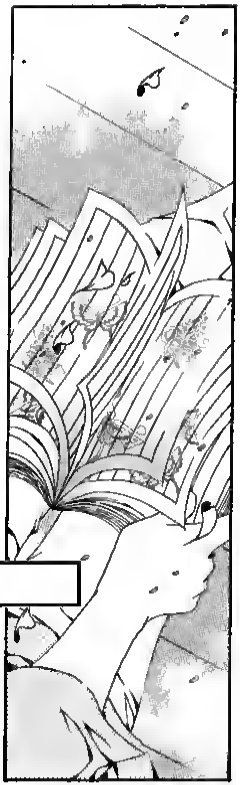
뚜
뚜
뚜

Bubl abandoned you.

To save the child ...
... !! My God !
M' lord ?!
He's ... !
My God !

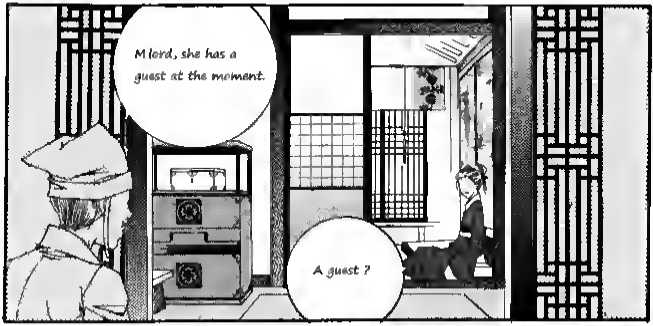
Lord and lady !
Your son ... !
He has been ... !
Han-Ah,
I don't think I will be
able to visit your grave
this year, either

JANIMES.C



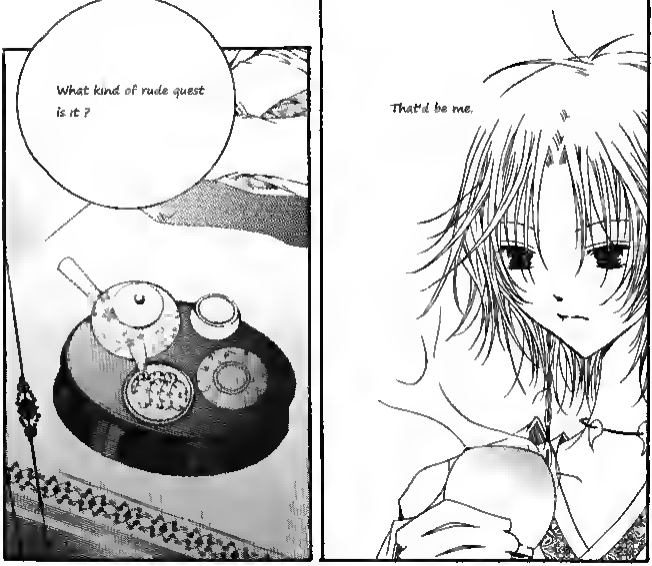
Episode 9 ... Children

Call Sye Ryo to my room after she finishes her breakfast
She has something to report to me What's taking her so long ?



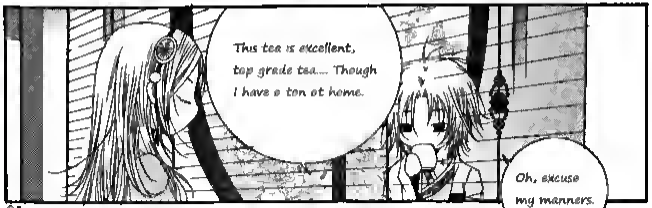
M lord, she has a guest at the moment.
A guest ?

In early morning ?



What kind of rude quest is it ?
That'd be me.

How did you know that I have a hard time going to washroom every morning ?
I thank you for your consideration.



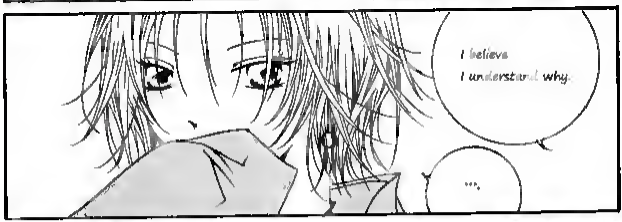
This tea is excellent, top grade tea.... Though I have a ton at home.
Oh, excuse my manners.

I wonder it is still cold out there, but may I open the window ?
Be my guest.
It seems ... I am not fully awake.
Cough
Winter breeze is indeed cold.

It seems I should visit your house to see you next time.
If you plan to do so, please send me a message a day before so that I have time to eat good and dress well.
Even though it's been only a few times we've seen each other -
Lady this is my time time seeing you from such a short distance
True however
I didn't think you'd have a nice comb at your house.
I've...

Found out (Foreseen) that my father has no intention to let me marry
Are you implying that your father wants you for himself ? I've heard such stories.
Even though this family doesn't have royal blood unlike yours, it hasn't gone down to such a low level yet.
Bro, go get her !
Good luck ~

I apologize.
I am weak, so I some-
times speak nonsense.
Seeing you like
this -
Cough
Cough

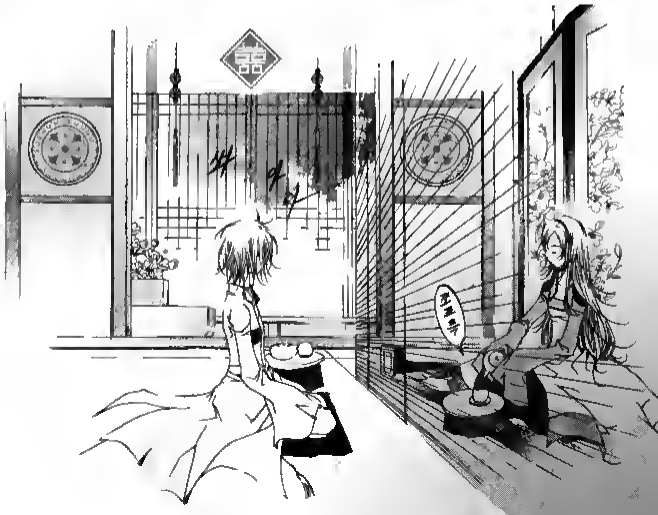


I believe
I understand why.
...

The best husband
is one who's wealthy
and lives a short life.
Don't you agree ?
After I pass away,
your father would
look you up and
have you forever.
Even though this
family doesn't
have royal blood
unlike yours -

I apologize.
I am weak, so I
speak nonsense
sometimes.
Please -
once a day
is enough.
Cough
Cough

So it seems.



콩콩콩

When will you get to the topic ?
You've called me to come here at this early hour. It's not like we know each other
Wind ... Their cries ...
Do you enjoy it ?
I love the songs from the bamboo forest

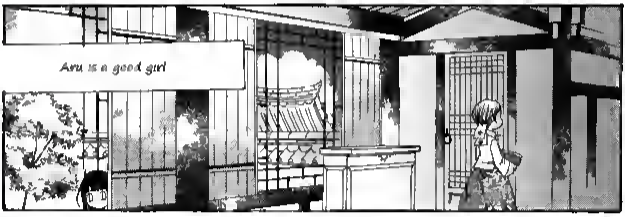
JANIMES.COM

I've invited you to
share this music.

Don't wander around
Don't wander around. A scary person lives here. I am going to the lunder
Ok? !!
Okay !
So much for a loud answer ...

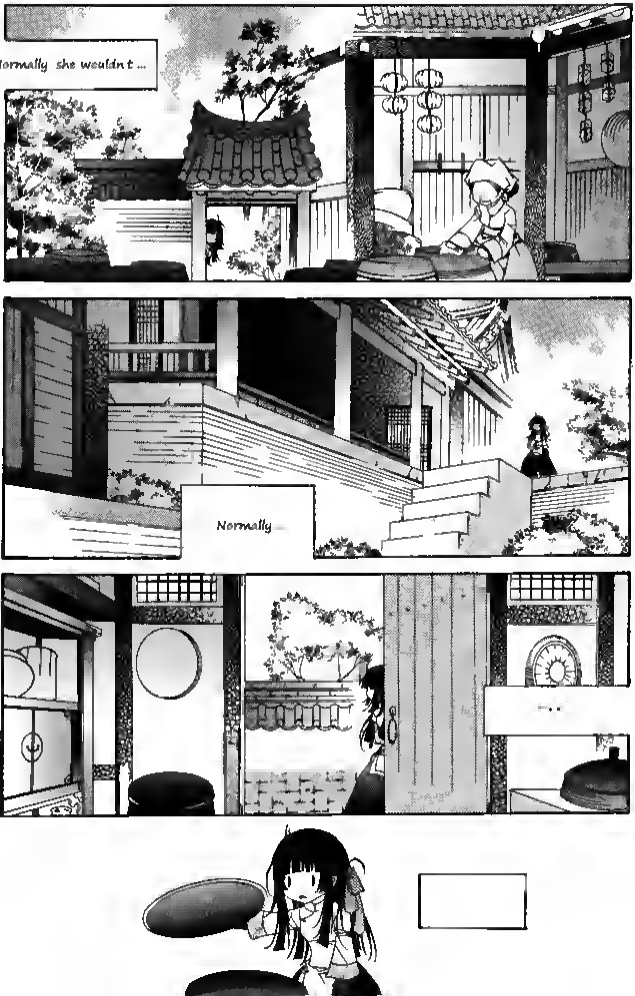
!!! 이이

I will find her and bring her back quickly
I am sorry lady Han-Ah.



Aru is a good girl

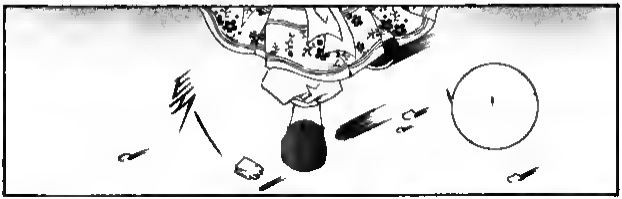
So she shouldn't have wandered too far



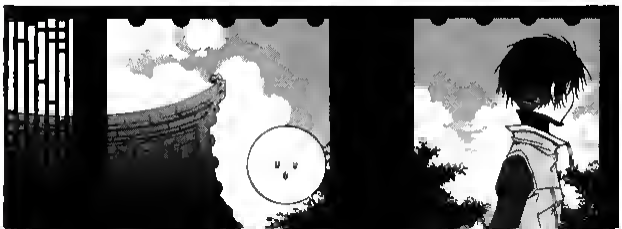
Normally she wouldn't...
Normally...
—...

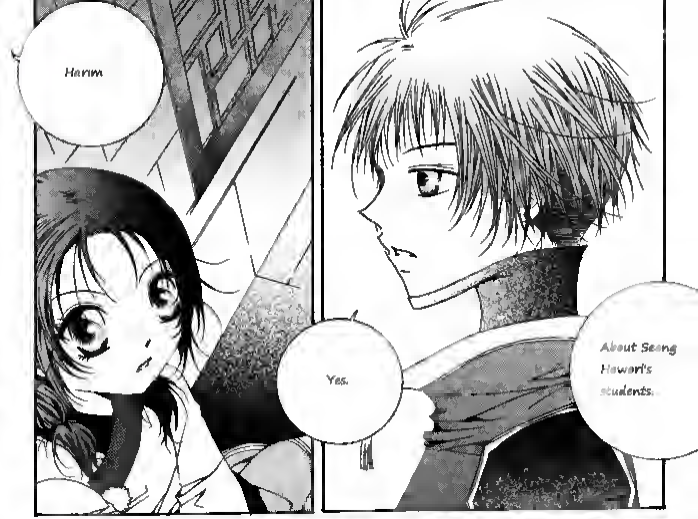
I am not going to stop Ryu-Song if he scolds you !
Eh ? Where is the pot lid ?!
Get startled and took it with her unconsciously

Oh, my !

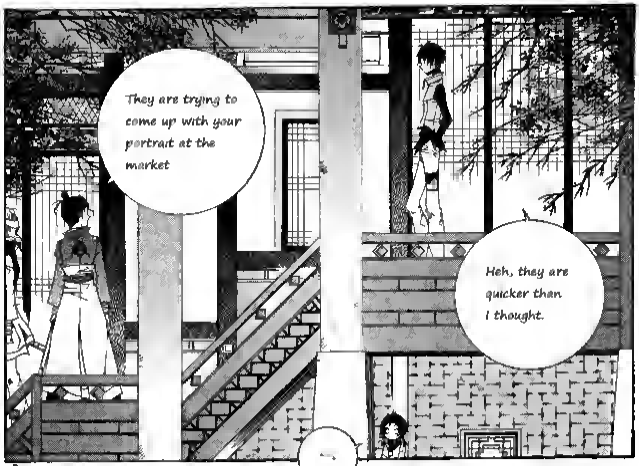


!



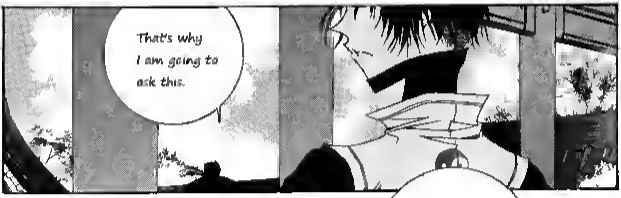


Hanim
Yes.
About Seong Haeori's students.

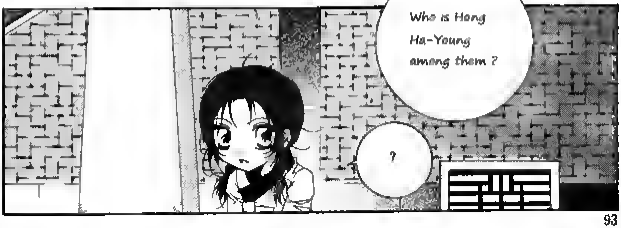


They are trying to come up with your portrait at the market
Heh, they are quicker than I thought.

They get a lot of money also...
They should be looking for jobs.
I believe ...
If they get lucky they will get my portrait and even my address in half an hour
There are some who know you at the market ...



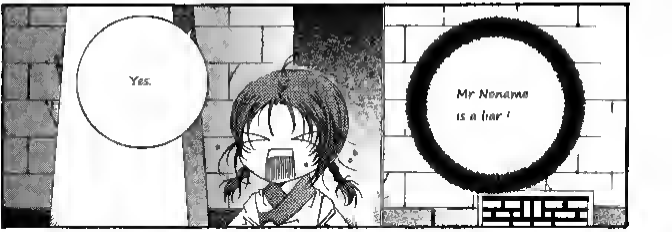
That's why I am going to ask this.



Who is Hong Ha-Young among them ?
?

It can't be the girl and the kid
Kim Myo Un
Lee Aru
It can't be the blue-eyed one, either, since the Hong would have never allowed interracial marriage
Ryu Sang
Kang Jere Young
The only one left his age doesn't add up

Are you sure tha Hong is amang them ?

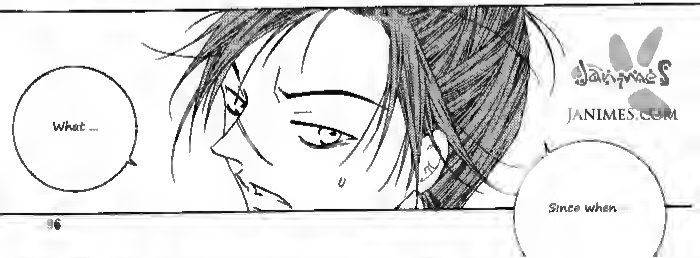


Yes.
Mr Nonama is a liar !

I will give you my honest opinion.
!

I think it's the girl
Ah !
The girl ?
We are after a boy
The Hong would have never made a female their clan heir
Mya-Un eunni !
Mya-
And even lady Syo-Ryu sang—
Ah.
I shouldn't call her aut now
When I saw him about 10 years ago he was wearing a boy's clothes also

Yes, the lady did say that it was a boy also ...
What are you implying ?
Are you saying that the lady has given our lord false info ?



What ...
Since when

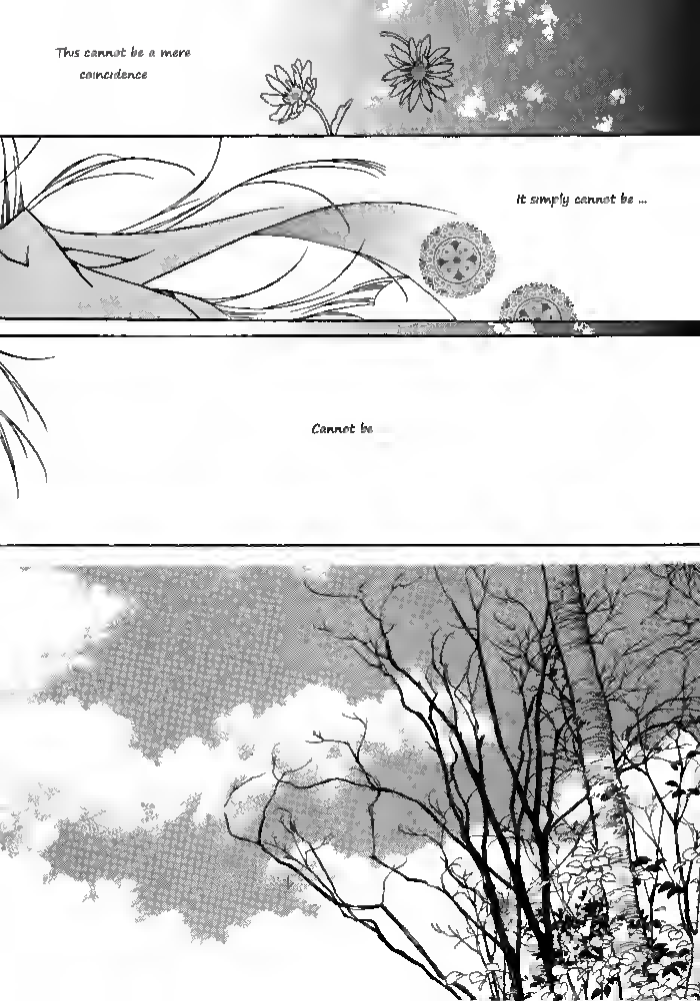
JANIMES.COM

I could not believe either until I confronted her
And she was one of few at the temple who was not taught of swordsmanship
I could ... never sense her movements.
But it seems even that piece of info was ...
False

Then what the hell are you staring at her for ?!
Oops.

Does she know your face ...
Of course.
Don't get angry at me leader
... .
This is my fault.

It couldn't have
been just rumors.



This cannot be a mere coincidence
It simply cannot be ...
Cannot be

Eunni –
(sis)
Myo-Un eunni !
Eun...Eunni ...
Myo-Un eun –

...sis...
She did not abandon you
She is trying to lure the bad guys with swords away from you
Really ?
Look around... There is no more bad guys around here anymore...

Ah
Right ?
Why don't we wait here together until she gets back.
Together ?
Yeah it won't be boring that way
He's a bad guy !

"Do you understand
Do not wander around."
"So who is Hong
He-Young among
them?"
"Are you sure that
the Hong is
among them?"
"Yes"
"So, Aru..."

Aru is that guy's
name Hong
Ryu Song by
any chance ?

No Ryu-Song
is Ryu-Song
Ryu is his
surname.
Eh ...
JANIMES.COM

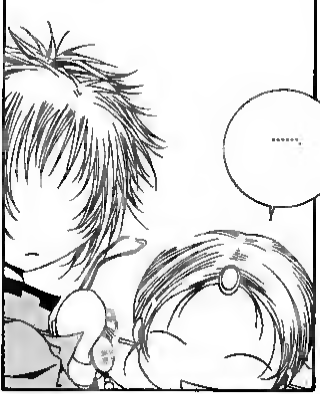
That's bad ...

"That's too bad. "
So ... what should we play ?
Until she gets back ?

... And his eyebrows look like ...
Young man are you looking for accessories ?
:

Are you looking to get it for your wife ?
I will give you a good deal
You aren't married ? Are you poor ?
No matter. Just grab a woman and make her pregnant.
You can marry later, and I've seen such couples a lot.
Ma'am... this guy's holding a sword.
I get this new item today. The jade in this has the same color as your eyes.
Girls do like gifts. I don't know why personally
Hic !

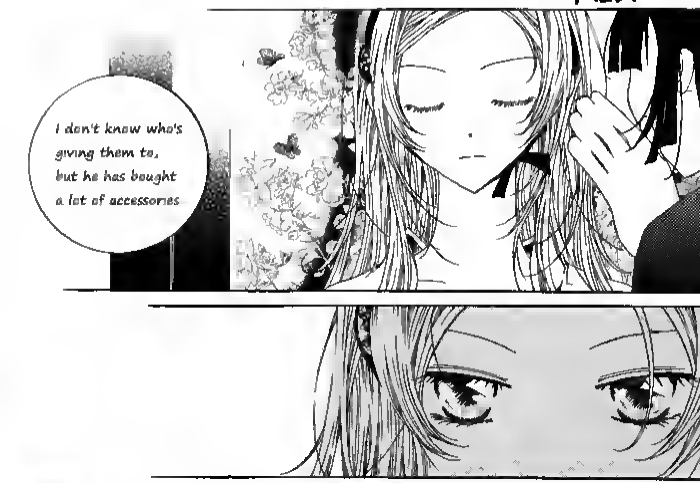
It's done !
Look !
Look here !



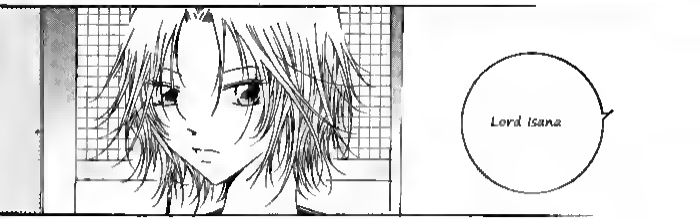
.....

Oh, my -,
isn't that
Harim ?

Yep, that's him
Zoo Harim, he's
from the Son
house.
He comes here
often.



I don't know who's giving them to, but he has bought a lot of accessories



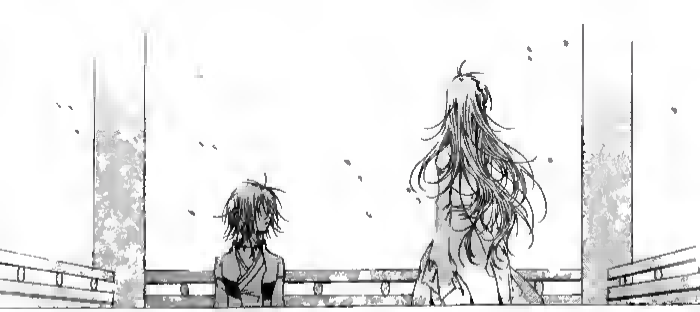
Lord Isana

It seems you are not fully awaken yet. Shall we take a walk
Our garden is pretty even during winter

Please would it possible to just give me a meal ?
I am sure that you have been hearing the roaring from my stomach.
Lady ...
I was ignoring as an etiquette.
He wakes up at this hour normally ...
Well, I am letting you have this your way
But I do not feel pleasant about being used by a lady whom I've met only once.
I am uncertain what is driving you to do this.
Are you looking down on me or on my family ?
Or are you simply used to abuse men who show you their interest toward you ?

Please do not be mad. This is my first request as your future wife.
Are you implying ...
That you will continue to use me like this ... ?
I believe you already know the answer.
You will be acquiring the most precious treasure of the Hong family. I believe it's a small price to pay.

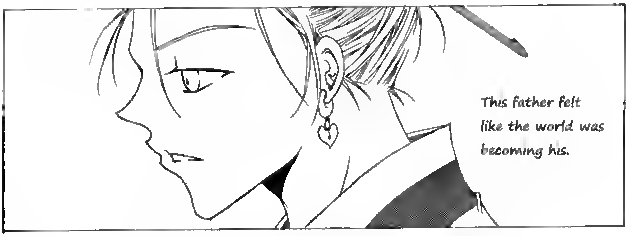
I am quite precious as well. After all, I am a son.
Lord Isana
I am really a - treasure-
If you say so.
I am a treasure...
I am not a precious child.

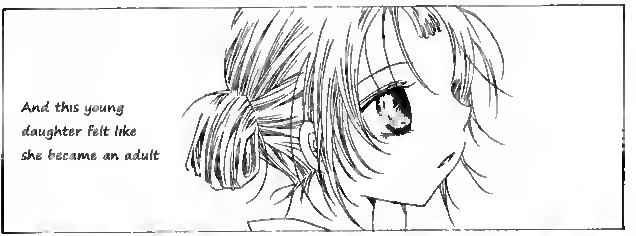


When Son Suk Myeong held his 3rd child who turned out to be a mere daughter, he thought -

Hmph, a daughter, huh. Well, I can accept that. Watching this child grow will be entertaining, and I will get her married to a powerful family (For political connections)

However, he found out that his "mere" daughter had an ability to foresee the future. It was when his daughter started to learn language and speak





And the adults were in awe as her words were proven to be accurate.

JANIMES.COM

As time passed, the daughter become bored of her vision.

The questions the adults asked, they were always the same, asking for any possible misfortune (enemies) To her, they were meaningless

The adults were also getting used to having her words for granted, and they were paying much less attention as well

The child was bored of endless gifts of the same kind, and the adults were also bored of relying on a little child.

And ...

Once, just for once, the child told someone outside of her family an escape route.

It was just once ...
The child told this stranger the ways around the house ..

탁
탁
탁
탁
탁
!
He is ... !
She is not to be killed yet !
!

Grab her !
!

Uh ...
탓
탓

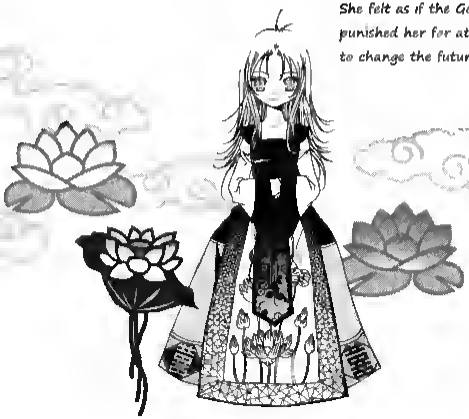
That was ..
totally unexpected !
D.. damn !
She's a good
runner !
I think
she knows the
layout of this house
better than us !

And it became complicated ..

All she wanted to do was to change the future just once ...

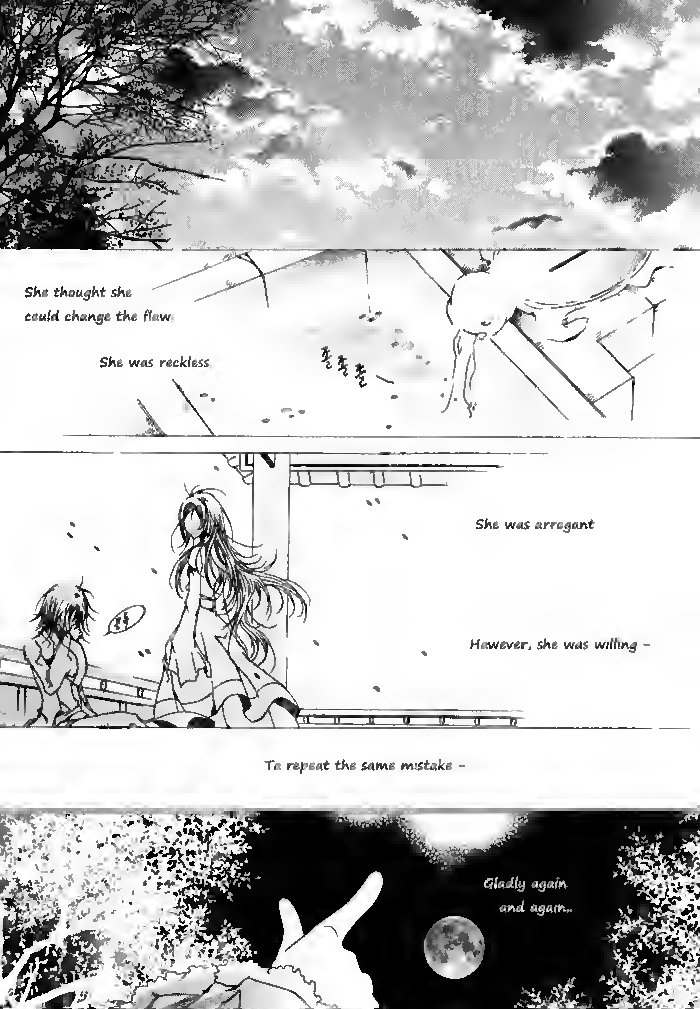
Yes ..., - Just Once - ....

She felt as if the God has punished her for attempting to change the future.



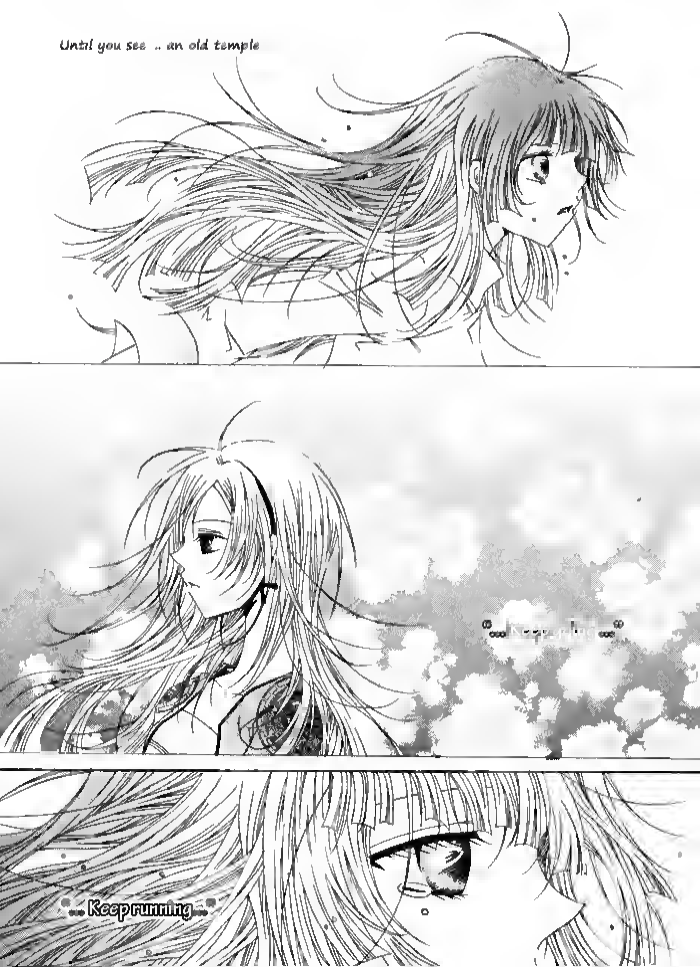
I don't think you see the future !
I think that you are making the future to your liking !
Just leave me be
Just ... let me become Han Ah

She thought .. it was possible



She thought she
could change the flaw.
She was reckless
She was arrogant
However, she was willing –
To repeat the same mistake –
Gladly again
and again...

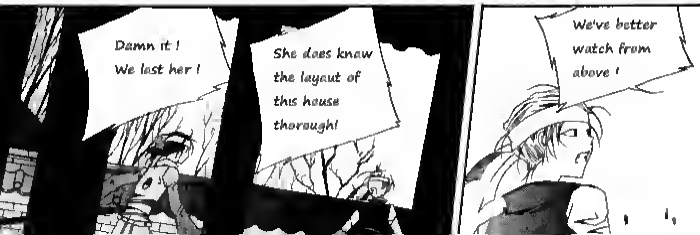
"Keep going ..."
"When you see a well, turn right"
You will see an abandoned guest house.
Hug the left wall ...
JANIMES.COM



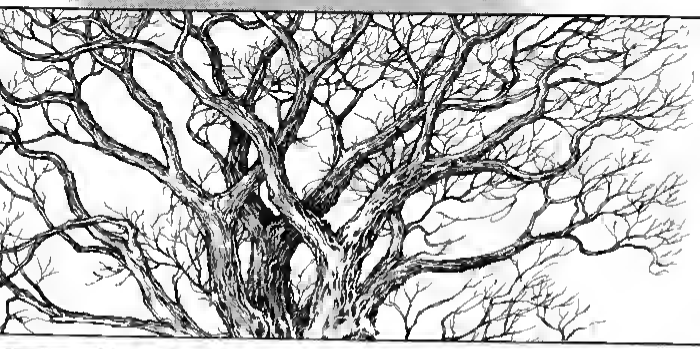
Until you see .. an old temple
...Keep running...

" .. With pride .. "

"__ Like roots of a tree __ "



"No matter what ..
No matter what kind of
hardship embraces you .. "



Three adult men couldn't catch a teenage girl.
It's so shameful that I can't tell this anyone.
Not three, but four.
We can kill her if she isn't the King !
Chief ! You know what she did to my hand !
Just to be safe. Harim said she might be the one.
He said that ?
Do you really believe his words ?! He had no intention to catch her in the first place !
Did you see the wanted poster he drew ? It was ridiculous !
But you believed him and acted together to take the girl and get your hand chopped.
Yeah
Wait that's not ...
Oh, wait ...

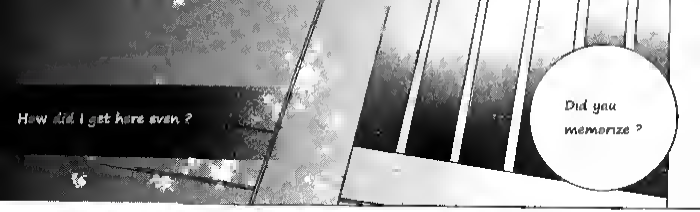
Wasn't there a kid among them ?
A long time ago
A heir of a powerful family disappeared suddenly.

The powerful family was short an heirs so it was a really big deal for them
Is your name really Zae Harim ?!
Are you the Han Ah we know ?!
They sought their heir and soon they realized their heir was kidnapped.
Hey !
Answer me !
They found out which family did it, so they kidnapped their daughter in return.
The daughter's father was angry

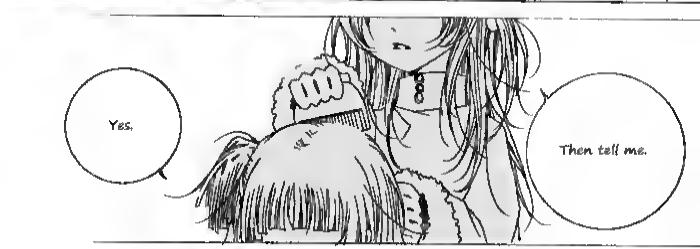
And exterminated the whole family who kidnapped his daughter
Except one -
The heir who was kidnapped originally survived.
I wonder
Why the heir was spared ?

Who cares, you bastard !
Aru !!!
Ah...
Bite him !

I need to get to Aru ...

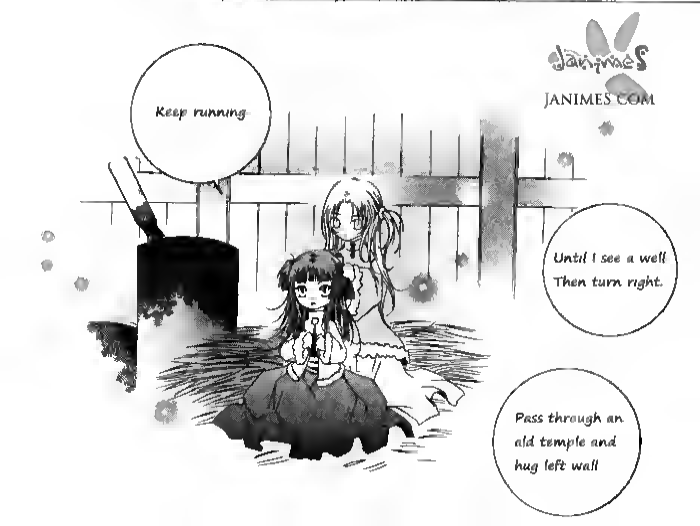


How did I get here even ?
Did you memorize ?

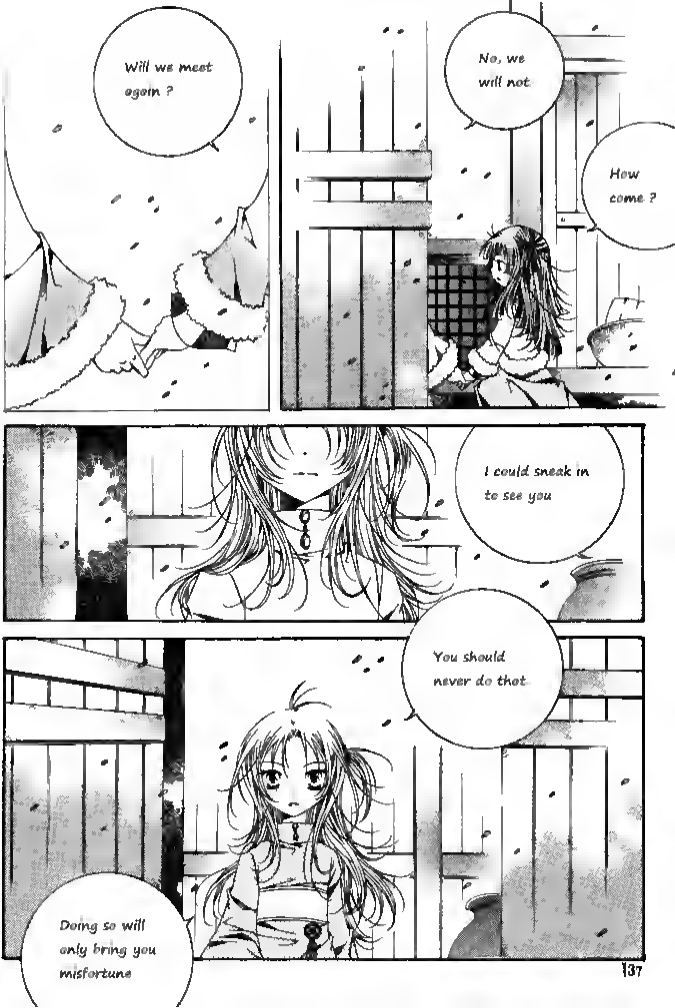


Yes.
Then tell me.

JANIMES.COM



Keep running
Until I see a well Then turn right.
Pass through an old temple and hug left wall

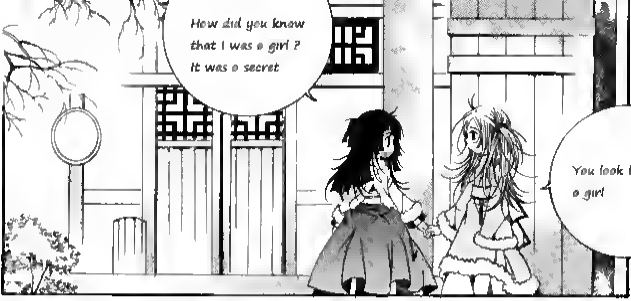


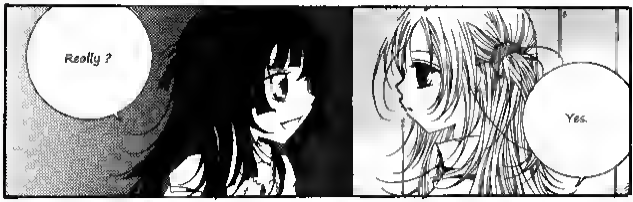
Will we meet again ?
No, we will not
How come ?
I could sneak in to see you
You should never do that
Doing so will only bring you misfortune

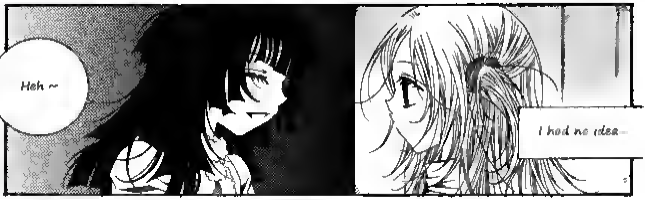
Come to think about it, those words were too hard for a child to comprehend.

And the child probably did not expect me to speak those words, either.

She twisted her head a few times and changed the topic.







Why she would be happy hearing that at such a moment but I did not question her.

Enough chit chat
Go before someone
finds out.
Okay ~
You haven't forgotten,
have you ?
Keep going until
I see a well
Then turn right
Go through an old
temple and hug
left wall
Some people should
be expecting you once
you are out.
Okay ~

Keep running

Keep running. Do not look back when anyone asks who you are

Her reply was the voices of the bamboo forest.

The little girl faded slowly into the bamboo forest

My memory tells me that she looked back at me a few times. My memory also tells me that she had a big, bright, innocent, grin on her face as if she was happy

However, I believe my memory is wrong

I wish you a happy life, Ha-Young

(Myo-Un's true name)

I have not heard of her since then.
I believed that she followed my direction well.
I could imagine what little feet step she made through the empty and quiet surroundings.

I believed that she went through the Son family's secret route well and
I believed that she was enjoying a new happy life.

And, therefore, I thought it ended

What I was unable to foresee at that time was that the small change I made to change the future was going to have a chain-reaction

However, I was unable to understand consequences of my actions. I was a mere child after all
As a child, I was simply unable to comprehend

*** Scanlator's note
If you are unable to comprehend the plot of Nabi even until now, stop
I repeat, STOP
Go back to volume 1 and read up to this point again and again until you have a firm grasp on the plot
I consider this page the end of Nabi's prologue, and without understanding its prologue, you will unlikely be understanding any of its future plot devices

Nabi's plot will soon accelerate its pace, and everything that will happen will be based on what has been presented on its prologue
Therefore, it is extremely VITAL for you to understand the prologue

JANIMES.COM

If ... it ended at there, everything would have been fine ...

Really ...

I am... outside...
How?
How do I know this route?
I have never been to this place before...

This is not the time to think that. I must get Aru out of there.
And I must also inform Ryu Sang and Jare Young ...
Ah ?
ANIMES.COM
Lord Isana I see someone on the hill. I think it's the one lady Syo-Ryu talked about ...
Cough
Cough
Cough
M' lord !

I will bring the carriage to doctor Park right now !
Hoft.
Stop overreacting I want you to bring her here.
But sir ! You are coughing blood !
Do you want me to break my own words?
But - !
Uh ... ?
She's gone ...

Get up there and see if she's around.
No, it's important to take you to a doctor now!
Fine.
덜컹
But ~
덜컹
덜컹
덜컹
How am I supposed to find her? I don't even know her appearance!
The lady is pretty mean!
She knows that you are weak, still she let you be exposed to cold air too long!

But ...

Close the window! Don't let cold air in!
I am not sure who's the lord anymore, fine

You would care ...

Aru, get away from that bastard !
Damn, ! let her go
i will beat the crap out of you !
Who the hell cares !
Are you going to attack an unarmed man ?!

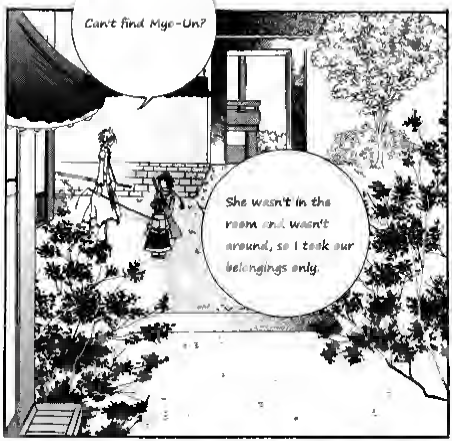
Damn it !

Ryu Sang !
So much for "an unarmed man"

So it seems.
All you do is lie, lie and lie !
Jere Young !

Time to go !
?!
Eh?

Zoo Harim !
Are you alright ?
Yes.
Then get back to work !
What are you saying ?



Can't find Mye-Un?
She wasn't in the room and wasn't around, so I took our belongings only.

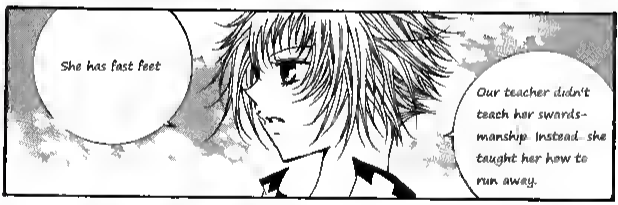
Mye-Un eunni ...

She said she'd return.

What ?
She lured the bad people off me and

So, she's being chased ?

Hyeong...



She has fast feet
Our teacher didn't teach her swards-manship. Instead, she taught her how to run away.

Wait at the old temple we spent a night

If we don't come back by the day when the next airship takes off –
Hyeong !
Leave this country immediately
!
No
I will wait until you two come back.

I will wait until you two come back no matter how many days it take !
